

PowerSeries Pro

THE FIRST WIRELESS COMMERCIAL SECURITY SYSTEM

IMPROVED SECURITY, EASY
ON THE BOTTOM LINE

Tyco's security solution for
small businesses to large scale
commercial properties

PowerSeries Pro

Growth Opportunities

PowerSeries Pro provides scalable commercial installations designed to accommodate additional buildings and areas.

And add additional functions, such as temperature monitoring and predictive analytics.

Flexibility

Frequency Hopping Spread Spectrum technology repeatedly switches frequencies to minimize interference of radio signals and prevent interception and obstruction during transmission

Easy Installation

No drills. No wires. No repeaters.

(thanks to long range PowerG technology, 128-bit encrypted wireless communication.)

Integration Capabilities

Supports multiple third-party integrations, including Building Management Software and video access solutions.

Compatible with a long list of additional security products, the system meshes them together seamlessly.
