- Audible feedback of correct key entries, pre-alert, system trouble, and tone control
- Capable of system programming
- Dimensions... SL-8 : 2.5" W x 4.6" H x 1" D (65 x 117 x 25 mm)
  PC1555RKZ : 5.5" W x 4.5" H x 1" D (144 x 114 x 25 mm)

**PC5502Z2 2-Zone Partitioning Keypad**
Obtain the benefits of a multi-partition control panel without changing the control panel. The PC5502Z2 partitioning keypad adds independent arming/disarming capabilities for separate areas. Install up to 7 partitioning keypads to provide 7 independent partitions, each consisting of 2 local keypad zones, which operate independently of the rest of the system. To add a further level of control and security, a supervisor can monitor all PC5502Z2 partition keypads from the main system keypad.
- 2 hardwired zones with individual zone definitions (6 zone types available)
- Independently programmable entry/exit delay
- 2 programmable access codes
- 5 programmable function keys
- 4 keypad-activated alarms... Fire, Auxiliary, Panic, and Duress
- LED indicators...Ready, Armed, System
- Backlit keypad and display... with backlighting boost
- Local annunciation of alarm conditions
- Audible feedback of correct key entries, pre-alert, system trouble, and tone control
- Dimensions... 5.75" W x 4.5" H x 1" D (144 x 114 x 25 mm)
