

PowerSeries Pro

THE FIRST HYBRID COMMERCIAL SECURITY SYSTEM ADVANCED SECURITY, EASY ON THE BOTTOM LINE

Tyco | DSC security solution for medium businesses to large scale commercial properties

PowerSeries Pro

Growth Opportunities

PowerSeries Pro provides scalable commercial installations designed to accommodate additional buildings and areas.

And add additional functions, such as temperature monitoring and predictive analytics.

Flexibility

Frequency Hopping Spread Spectrum technology repeatedly switches frequencies to minimize interference of radio signals and prevent interception and obstruction during transmission

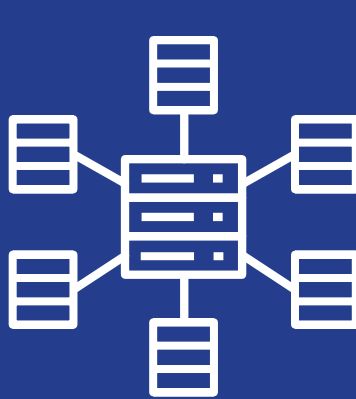

Easy Installation

No drills. No wires. No repeaters.

(thanks to long range PowerG technology, 128-bit AES encrypted wireless communication.)

Integration Capabilities

Supports multiple third-party integrations, including Kantech access control, Building Management Software (BMS), and Alarm.com

Compatible with a long list of additional security products, the system meshes them together seamlessly.
