WTK5504 Wireless TouchScreen Arming Station
Now Ready for Pre-Order

DSC is pleased to introduce the new WTK5504 Wireless TouchScreen Arming Station.

DSC's 2-Way Wireless TouchScreen offers an ultramodern take on the look of a traditional keypad and presents a solution that easily fits into the most updated and contemporary décor. Designed to enhance the user experience, controlling the security system has never been easier. At the touch of a finger, the extremely intuitive, menu-driven screens allow full control over the system. For ultimate convenience and comfort, the 2-Way Wireless TouchScreen boasts a Voice Prompts and Voice Chime feature, offering verbally enunciated system status updates.

New Features

• 4.3" full color display

• Rechargeable batteries with 24 hr back-up

• Programmable for user functions

• Night light (Blue)

• Proximity arm/disarm (WTK5504P only)

• Voice chime/Voice prompt

• Quick-view LED status indicators

• 3 Emergency keys

• Desk mount and Wall mount options

• Compatible with IMPASSA, ALEXOR, and PowerSeries (viaTR5164)
