PG9944 Outdoor PIR Motion Detector

DSC is pleased to announce the release of the PG9944 Wireless PowerG Outdoor PIR Motion Detector.

PG9944 is an innovative wireless outdoor PIR mirror detector integrated with a camera. It comprehensively addresses property owner's security needs for accurate intruder detection with minimum false alarms. Providing a perfect solution for instant capture, the camera immediately starts recording when an alarm is activated. High camera performance enables configurable contrast and brightness, and includes support for day and night conditions.
