INTRODUCING DSC TOUCH - AN 'ALL-IN-ONE' WIRELESS SECURITY SYSTEM

DSC is pleased to announce the release of the DSC Touch Wireless Security System.

DSC has enhanced its industry-leading connected home solutions with DSC Touch, an innovative smart panel which provides customers with home management and interactive security capabilities in an all-in-one, intuitive and easy to use interface.

Uniquely based on Google's Android operating system and integrated with Alarm.com, DSC Touch employs WiFi, Bluetooth and Z-Wave technology for a completely wire-free install and 'all-in-one' wireless communications. Built-in cellular radios enable the DSC Touch to communicate with Alarm.com's cloud for home automation features and mobile applications (iOS and Android).

DSC Touch offers features such as:

- 7 inch TouchScreen with a resolution of 800x480
- Built in apps such as Contact info and Photo Frame
- Built in Camera, takes photos on Disarm and Alarm events
- Compatible with DSC 433 Mhz One-Way Wireless products
- Dual-Path Connectivity with Integrated Wi-Fi and Cellular
- Z-Wave, Bluetooth, Image Sensor and Cellular radios built in to work with smart home products
- Integrated with Alarm.com to offer Interactive Services through iOS and Android apps
- Software updates over Wi-Fi and manually with an SD card
- Supports 59 Wireless zones and 242 User codes.
- Built in Two-way Voice over Cellular
- Built in Siren

To order, contact your Order Entry Account Representative at **1-905-760-3000** or **1-888-888-7838** (Toll-free in USA and Canada). For more information on these or other DSC products, e-mail info@dsc.com or contact your local Sales Representative.
