

## Discontinuation Notice

### PowerSeries NEO Fire Kits with 3G communicators HS32-512HC and HS32-512TLHC

**Date:** January 27, 2021  
**Region:** Canada  
**Product:** HS32-512HC and HS32-512TLHC  
**Brand:** DSC

### Scope

The PowerSeries NEO Fire Kits with 3G communicators will be discontinued effective immediately. They are replaced by the PowerSeries NEO Fire Kits with LTE Communicators. The new LTE communicators support the same features of the 3G models, with the added benefit of extended network longevity using LTE (Long-Term Evolution) technology. The PowerSeries NEO Fire Kits with the LTE communicators have already been released to the market.
