WS4959 5-Button Wireless Key

Scope

DSC would like to inform you that effective immediately, the WS4959 5-Button Wireless Key has been discontinued.

The suggested replacements are WS4939 4-Button 1-way Wireless key or the WT4989 6-Button 2-Way Wireless Key (where available).

The WS4939 provides similar features as WS4959, but is limited to 4 programmable function keys. It also comes with long-life lithium batteries, a multifunction belt clip, provides a full 3-second delay on panic alarm to reduce false alarms and uses 433 MHz technology.

The WT4989 has 4 one-touch function keys, programmable for up to 6 functions. It also has a Backlit ICON display, a built-in buzzer for audible feedback, status button indication, active alarm indication, wireless key key-lock and comes with a multi-function belt clip. It has a nominal battery life of 3 years and is compatible with Impassa and PowerSeries (via TR5164-433).

Affected Products

Model	Description	Availability	Replacement Model	Replacement Description
WS4959	5-Button Wireless Key	No Longer Available	WS4939	4-Button one-way Wireless Key
			WT4989 (where available)	6-Button 2-Way Wireless Key

Please be advised that effective immediately, the production of the WS4959 has been discontinued. New orders for this product will no longer be accepted.
