

## Discontinuation Note

**Date:** March 20, 2018

**Region:** NA, EMEA, APAC, LATAM

**Product:** Wireless Pet-Immune PIR – WLS914-433

**Brand:** DSC

### Scope

Effective immediately, the Wireless Pet-Immune PIR (WLS914-433) has been discontinued. We recommend using the Wireless Pet-Immune PIR (WS4904P) as a replacement as it provides pet immunity along with similar mounting height, range, and coverage pattern, and is compatible with the same range of control panels and wireless receivers. The WS4904P has a smaller plastic housing than the WLS914-433 and offers up to 9 years of battery life with typical use.
