

Discontinuation Notice

Select PowerSeries RF Keypads (RFK55xx) and PowerSeries Kits with RF Keypads

Date: May 1, 2021
Region: Canada
Product: Select PowerSeries RF Keypads (RFK55xx) and PowerSeries Panels & Kits with RF Keypads
Brand: DSC

Scope

We would like to inform you that due to an obsolete component, the products listed below will be discontinued.

- **A select number of PowerSeries RF Keypads (RFK55xx)** will be discontinued immediately and remain available while supplies last. There is no RF keypad replacement available for PowerSeries, but the PowerSeries Wireless Receiver (RF5132-433) or PowerSeries 2-Way Wireless Transceiver (TR5164-433) should be considered as close alternatives. The PowerSeries NEO line includes a full lineup of RF keypads using 128-bit AES-encrypted PowerG Wireless technology.
- **The select number of PowerSeries Kits with RF Keypads** listed below will be discontinued immediately and remain available while supplies last.

We invite you to explore the proven capabilities of the IQ2+ wireless panel, PowerSeries NEO and the PowerSeries PRO hybrid panels as ideal solutions for residential, small/medium and large commercial needs. These hybrid systems combine the flexibility of a modular, hardwired system with the simplicity of a wide range of PowerG wireless devices and peripherals, resulting in the most comprehensive hybrid solutions available in the market today powered by the industry-leading wireless technology.
