

General Advisory Bulletin / DSC Connect UDL Modem

Date: June 27, 2024
Region: North America
Product: LE4050M-US/CA

Overview

The DSC Connect software modem license allows unlimited Upload/Downloads utilizing the modem and DLS5 software, and the LE4050M cellular connection path.

This license grants the user the ability to upload/download a single DSC Connect module, one session at a time.

If the user requires the ability to have multiple / simultaneous sessions, the user will need to add the corresponding number of licenses.

Each license is billed to the central station. Please contact your authorized DSC Connect central monitoring station for pricing.

The DSC Connect software modem can be downloaded from the connect.dsc.com platform, the dealer will utilize their DSC Connect login within the software modem.
