## RF5132 version 5.0 Tamper

DSC would like to inform you of a possible issue regarding the RF5132 version 5.0 wireless receivers regarding the new case and wall tamper options.

Several units have been shipped with the case and wall tamper options enabled. If enabled, the control panel will display a General System Tamper trouble.

To disable the case and wall tamper options in the RF5132 version 5.0 wireless receiver:

- Enter [\*][8][Installers Programming] to enter Installers Programming
- Enter Section [804] to enter Wireless Receiver Programming
- Enter Section [90] and turn ON Options [3] and [4] to disable the tampers

We apologize for any inconvenience this may cause.

Please contact the DSC Customer Help Center at 905-760-3000, or send an email to [info@dsc.com](mailto:info@dsc.com) or [tech@dsc.com](mailto:tech@dsc.com) if you have any questions.
