

Training Seminar

Featuring: **DSC** EXPERIENCE EXPECTATIONS Earn Bonus Points

Learn about the PowerSeries NEO hybrid intrusion detection platform as well, Qolsys, as the NEW DSC Touch System!

One of the most comprehensive hybrid systems available in the market! The PowerSeries NEO redefines intrusion security, combining the flexibility of a modular, hardwired system with the simplicity of a wide range of wireless devices, delivering a suite of products that is powerful, easy to use and simple to install.

DSC Touch is an innovative smart panel which provides customers with home management and interactive security capabilities in an all-in-one, intuitive and easy to use interface.
